

The Forgotten Painting When celebrated author Jack Rogan stumbles upon a hidden diary, he can't resist investigating. Honouring the last wish of a dying friend, he is irresistibly drawn into a web of intriguing clues, hinting at a long forgotten treasure. Joining forces with Cecilia Crawford, a glamorous New York journalist

When celebrated author Jack Rogan stumbles upon a hidden diary, he can't resist investigating. Honouring the last wish of a dying friend, he is irresistibly drawn into a web of intriguing clues, hinting at a long forgotten treasure. Joining forces with Cecilia Crawford, a glamorous New York journalist, and Tristan, a remarkable boy with psychic powers, Jack soon finds himself on a precarious journey of discovery, exposing dark secrets from a distant, violent time, when life was cheap and cruelty ruled without mercy. Meanwhile, Emil Fuchs, an enigmatic Swiss banker with a murky past, has an agenda of his own. Ruthless, and determined to defend his reputation at all cost, he threatens to expose a fraud that could destroy everything. Will Rogan succeed? Can he find the forgotten treasure he has been searching for, or will it be lost forever, depriving the world of a masterpiece that belongs to all mankind? ...more The Forgotten Painting PDF ebook
